Elocution on “Successful Launch of CHANDRAYAAN-3”

The Department of CSE LNCT & S, Bhopal with IIC has conducted the event CHAR_CHA on successful launch of CHANDRAYAAN-3. The event was conducted on 6th September, 2023 Wednesday for the third and fifth semester students of all the branches in two sessions.

The former session was conducted for the third semester students and the latter session was conducted for the fifth semester students.

Chandrayaan-3 represents an important mission in India's space exploration endeavors, and it's an excellent topic to engage students or participants in learning and public speaking. It was meant to educate students about Chandrayaan-3, inspire interest in space exploration, and encourage public speaking skills.

The student participated in this event with great enthusiasm. They researched on the innovative technology of the launch and briefed it in well structured form to their colleagues. The winners of the event were felicitated by the certificates.

The event was conducted by the Dr. Ruchi Jain and Prof. Monica Kudopa with the student coordinator Nishant Singh under the supervision of HOD Dr. Bhawana Pillai, Dr. Suneel Phulre, Dr. Nitesh Kumar Gupta. The principal Dr. V.N. Bartaria graced the event with his presence.

Short Video Competition on **“Successful Launch of CHANDRAYAAN-3”**

The Department of CSE, ECE LNCT&S, Bhopal with IIC conducted the event “Short Video Presentation” on the launch of CHANDRAYAAN-3. This event was conducted on 7th September 2023 with the intention of enhancing the creativity inherent within the students. The motive was able to engage the students and generate interest in the mission.

Space exploration is a topic that captures the imagination of people worldwide, and a well-crafted video can help educate and excite the students about India's space endeavors. Such presentations can inspire young minds to pursue careers in science, technology, engineering, and mathematics (STEM) fields by showcasing the incredible achievements of space exploration and the opportunities it offers.

The event was coordinated by the Prof. Shiwali Latiyar, Prof. Shivani Sant, Prof. Vinod Patel and the students under the able supervision of HOD Dr. Bhawana Pillai, Dr. Suneel Phulre, Dr. Nitesh Kumar Gupta.

Prototype Demonstration for internal Hackathon – 2023

The Department of CSE, ECE LNCT&S, Bhopal with IIC conducted the *Prototype demonstration for internal Hackathon-2023* as a part of SIH-2023. The event was held on 18th September 2023 with the intention to motivate the students, analyzing the creativity and problem-solving abilities.

The students build the prototype with a focus on solving the problem. They used the appropriate technologies and tools, and make their prototype functional and user-friendly. They created the presentation materials to effectively communicate the solution to the judges. They included slides, visuals, diagrams, and video demonstrations. The presentations were very concise and to the point.

All the faculties were actively involved in motivating the students and providing suggestions for improving the prototypes during the hackathon.

Cleanliness Paramodharma Swachh Reel Competition 2023

The Department of CSE, ECE LNCT&S, Bhopal with IIC conducted the event “*Feel the Reel*” under the program “Cleanliness Paramodharma Swachh Reel Competition 2023”. On the occasion of 9 years of Swachh Bharat Mission, the event was conducted on 30th September 2023.

A Swachh Bharat reel competition was a fun and effective way to engage people in the cause of cleanliness and hygiene while harnessing the power of social media for positive change. It also serves as a great way to promote civic responsibility and community involvement.

The students actively participated in the event and the winners were felicitated with the certificates. The HOD, “Dr. Suneel Phulre” and Dr. Neetesh Kumar Gupta addressed the students and motivated them to maintain cleanliness in public spaces.
