### "NEWS BULLETIN APRIL"

#### Expert Lecture

- "Positive thoughts empower us to build up a positive outlook of life; but powerful thoughts make us resilient to face the hurdles of life."
- Adding onto the trail of events organized by LNCTS, CSE Department; an Expert Lecture was organized on 19 Feb 2021 on Cyber Crime and Cyber Challenges.
- The Guest Speaker leading the session was Ms. Richa Jain, DSP Cyber Crime HQ Bhopal, Madhya Pradesh. The expert lecture was exclusively organized for the new batch of AI/ML and cyber security, first year students. The overwhelming response of 100+ students and faculty members on the online platform of Google Meet made the session highly interactive and yielding.
- The major area of focus was to enlighten the students about various online frauds, spams, and cyber-crimes. Topics such as photo morphing, child pornography, cyber stalking, duplicity of online accounts, frauds with money transactions, privacy setting maintenance, authorization of apps while downloading, secured visits to websites etc. were also coined and explained. Digital Interaction is the new normal since the Covid-19 pandemic; therefore, it is crucial to spread awareness among young people about the types of crimes and their repercussions.
- The Concluding notes of Ms. Richa Jain emphasized the importance of being aware on online platforms. Students asked questions at the end of the session which were graciously answered by the honorable guest speaker.
- It was an informative expert lecture that inspired the young minds to contribute in the field of Cyber Security.
