“NEWS BULLETIN AUGUST”

WORLD ENTREPRENEURS DAY

IIC-LNCTS & CSE Department jointly celebrated World Entrepreneurs Day to salute and recognize the high spirits of the Entrepreneurs, the department organized a seminar which encouraged students to share their thoughts about entrepreneurship and their favorite entrepreneurs and they expressed about how young entrepreneurs can contribute in making India self-reliant. The students highlighted the importance of innovation and IPR in entrepreneurship.

In the beginning of the program Dr. Amitbodh Upadhyay, Dr. Ashish Khare, Prof. Nikesh Tiwari highlighted the history and importance of "World Entrepreneurship Day" as well as the facilities being provided to the students in the Incubation Center (KLIC) set up by the LNCT Group.

Prof. Vijendra Palash and Prof. Shiwalati Latiyar were also addressed the students.

(WED is observed on 21 August to create awareness among the budding entrepreneurs about innovation and leadership)

Renewable Energy Day

In Association: India International Center (IIC) Faculty Coordinator: Dr. Amitbodh Upadhyay

Student Coordinator: Tarun Prakash, Satyam Ghosi, Varnika Saraswat, Samarth Bhaban, Prachi Soni, Nandinee Jayant Durge

Quest Nature Club & IIC Cell jointly organized various activities to raise awareness about the importance of Renewable Energy and popularize the need, benefits and uses of Renewable Energy devices and systems in all spheres of life as all the non-renewable resources on earth are on the verge of depletion its getting more and more important day by day to create awareness about saving energy and most importantly urge the masses to move towards Renewable Energy Sources.

A speech competition was also held on the topic, "Sources of Renewable Energy and their Importance" among LNCT GROUP students, in college campus to celebrate "Renewable Energy".

Following students from 3rd semester delivered their views: Tarun Prakash, Satyam Ghosi, Varnika Saraswat, Samarth Bhaban, Prachi Soni, Nandinee Jayant Durge.

ALUMNI TALK: TECHNOLOGY ADVANCEMENT

Under the Supervision of: Prof. Bhawana Pillai, Prof. Nikesh Tiwari, Prof. Khushbu Rai, Prof. Manisha Sen

A seminar organized by Alumni cell with CSE department LNCTS, on career and research in the field of Web Solutions by the speaker Mr. Meet Singh Patheja, (Batch 2020), Senior Solution Engineer at Deqode Solutions. He discussed about the developing skills required for mid level MNC's, emerging MNC's and the major differences between the web server and the application server. With his proficient experience in the interviews, he also conveyed the tips for the interviews. The lecture was really helpful as all the students actively participated in the QnA Session offered by the speaker. From grooming your resume to preparing for Company Interview the speaker delivered it all in a very interactive way which was very engaging and informative for the students.

The faculty Co-coordinators: Dr. Bhawana Pillai, Prof. Nikesh Tiwari, Prof. Khushbu Rai & Prof. Manisha Sen made the whole event possible for the students to take away all the knowledge from the informative Seminar.

INNOVATION / PROTOTYPE VALIDATION CONVERTING INNOVATION INTO A STARTUP

Under the Supervision of: Dr. Amitbodh Upadhyay, Dr. Bhupesh Gaur, Prof. Bhawana Pillai

Department of Computer Science & Engineering LNCTS in association with IIC Cell organized an expert lecture on "Innovation/ Prototype Validation Converting Innovation into a Startup". Mr. Anurag S D Rai gave an insight into the startup world and encouraged students to come up with new ideas for Startups, guiding students from scratch to finish about the startup world. He primarily focused on interacting with the students; make them understand about Product Validation and Market Fitting Solutions.

The insightful lecture was made possible by the efforts via faculty coordinators Dr. Amitbodh Upadhyay, Dr. Ashish Khare & Prof. Bhawana Pillai.
